*“Explore by air a
desert shrouded in
Mystery”*

Among the animals, we will see the representation of a whale, a monkey, and a dog.

Likewise, you will see various birds, such as a condor, a hummingbird, and a heron, as large as 3 soccer fields.

Perhaps the most striking figure of all, is the Astronaut, a strange creature with a large head and big eyes.

Unlike the other figures, the astronaut was drawn on a hillside and not on the surface of the desert.

Additionally, you will see hundreds of straight lines that crisscross the desert surface in all directions.

After the flight, you will have free time for lunch. Our guide will suggest a good restaurant near the beach.

Finally, we will drive back to Lima.

Upon arrival in Lima, our driver will drop you off at your hotel.
