TOUR DESCRIPTION

NAZCA LINES AND PARACAS BAY TOUR

FULL DAY TRIP

Part I: Travel from Lima to the Pisco Airport.

05:00 h. Our tour begins early in the morning. Our driver picks you up from your hotel in Lima. As the sun rises, we begin our journey southward towards the charming City of Pisco. Throughout the journey, you'll travel in style within a private vehicle, accompanied by our local guide.

Part II: Flight over the Nazca Desert.

Upon reaching Pisco, we make our way to the local airport, nestled in the southern part of the city. Prepare for an exhilarating experience as we step onto our spacious Caravan Cessna aircraft. With room for 12 passengers, each person gets to enjoy the luxury of a window seat.

To enrich your aerial adventure, our pilot will provide each participant with a Nazca Lines Map.

This valuable tool will help you readily recognize and appreciate the geoglyphs etched into the desert below. You'll spot the likenesses of a whale, a monkey, and a dog, each meticulously etched onto the Nazca plateau.

Moreover, the desert's expanse plays host to an avian spectacle, featuring colossal representations of a condor, a hummingbird, and a heron, some spanning as vast as three soccer fields.

Amidst these wonders, the most remarkable figure of all is the enigmatic Astronaut, peculiar entity with a large head and expansive eyes.

Unlike its counterparts, the astronaut's presence graces the slopes of a hill, not the desert floor.

But that's not all – your flight also includes a captivating encounter with the Palpa Lines.

These lesser-known geoglyphs add an extra layer of intrigue to your journey.

After flying over the Nazca and Palpa Lines, we will return to the Pisco Airport.

Part III: Visit to the Paracas Bay.

Our trip continues at the wonderful Paracas Peninsula, located to the south west of Pisco.

Your tour begins at the Center of Interpretation of Paracas, a building adorned with vivid photos that unveil the rich tapestry of fauna, flora, and intriguing facts about the Paracas Reserve.

We then venture into a seemingly lifeless desert, leading us to a picturesque lookout point.

Among the enchanting beaches that grace our route, we'll make a special stop at the renowned Red Beach.

This idyllic location presents the perfect backdrop for striking photographs, capturing memories that will last a lifetime.

Next, our path leads us to the charming fishing village of Lagunillas, where you can indulge in a delightful lunch.

In this area, you'll find a selection of excellent restaurants, where local flavors take center stage.

Part IV: Return to the City of Lima:

As the day winds down, we begin our return journey to the city of Lima.

Relax and take in the scenery as we head back.

Upon arriving in Lima at 18:00 h, our driver will ensure your safe return to your hotel.
