TOUR DESCRIPTION

ARAMU MURU TOUR FROM PUNO

Begin the Journey to the Gate of the Gods.

Your Amaru Muru Tour from Puno begins at 9:00 am, when a Mystery Peru representative and English-speaking guide meets you at your hotel. From there, we travel in a private vehicle, heading south across the altiplano toward the mystical site of Amaru Muru, also known as Ajayu Marka—"The Gate of the Gods." As we drive along the edge of Lake Titicaca, you'll enjoy spectacular views of the water and the surrounding landscapes, already setting the tone for a powerful and personal journey.

Encounter the Mysterious Portal.

Upon arrival at the Amaru Muru site, you'll immediately sense a change in the atmosphere. The giant stone façade carved into the red rock stands silent yet full of presence. Many believe this was once used as a stargate by Inca priests, while others claim it holds interdimensional energy. Visitors often kneel or meditate, drawn to the portal's mysterious power.

As your guide explains the legends and theories, from ancient aliens to hidden civilizations, you'll find yourself caught between myth and reality.

Used in ceremonies for generations, Amaru Muru is more than a curiosity—it's a bridge between ancient spirituality and living tradition.

Stop at the Temple of Fertility.

As we return to Puno in our private vehicle, we make a brief stop in the village of Chucuito, known for its Temple of Fertility. Here, you'll find a courtyard filled with phallic stone sculptures, believed to be part of fertility rituals connected to the agricultural cycles. It's a fascinating, humorous, and culturally meaningful way to end your morning exploration. We drop you off back at your hotel in Puno around midday.
