DAY 1 °

Day 1: Explore the Lost City of Caral.

Your private adventure begins at 5:00 AM, with hotel pickup in Lima by your expert local guide. We head north along the Pan-American Highway toward the Supe Valley, where the ancient city of Caral rises from the desert.

After a scenic drive through changing landscapes, we arrive at Caral, a UNESCO World Heritage Site and the oldest known civilization in the Americas, dating back over 5,000 years. At the entrance, a local site guide will join us to lead the way through this sacred city.

Nazca Lines and Caral Tour: Follow the Paths of Lost Civilizations

Day 2: Flight Over the Nazca and Palpa Lines.

We start early again at 5:00 AM, departing Lima in a private vehicle southbound along the coast toward Pisco Airport. Along the way, your guide will share insights into the mysterious Nazca culture and the geoglyphs we're about to witness.

At the airport, you'll board a Cessna Grand Caravan for a flight over the Nazca and Palpa Lines, with each passenger guaranteed a window seat and a flight map to follow the figures. From above, you'll spot dozens of massive geoglyphs etched into the desert floor — including the hummingbird, monkey, condor, spider, and a series of ancient human figures and geometric shapes in the Palpa region, believed to predate the Nazca culture.

These lines, created over 1,500 years ago, continue to mystify archaeologists with their enormous scale, incredible precision, and still-unknown purpose.

After landing, you'll have free time for lunch (not included), with excellent restaurant options by the coast. Later, we return to Lima, arriving in the late afternoon, where we drop you off at your hotel.
